Topic Leader Instructions

- 1 **The person who asked you to bring the topic will meet you at the meeting** and introduce you to the Secretary so they can introduce you as the person bringing the topic for the meeting. If for some reason you can't find the person who asked you to bring the topic, feel free to ask the Secretary (or any other member) any questions you may have.
- 2 **Please pick your topic from the AA Big Book**, read a bit from the book, and share a bit on the topic. Feel free to choose from anywhere in the book, stories included.
- 3 **Please do not solicit topics from the group.** For instance, "Is anyone struggling and have a topic?" or "Is anyone new and would like to share?".
- 4 After you have read and shared, **the secretary will take over and choose a person to begin sharing.** You're done!

Thanks for your service!
